

London School of Economics & Political Science SUMMER PROGRAM course equivalents

The NU Department of Economics has approved the following London School of Economics & Political Sciences [LSE] summer program courses to be articulated as the NU equivalents listed below. Students will not need to go through any additional study abroad equivalency approval process for the below courses. Upon receipt of final transcripts from LSE, the RO will review to ensure that completed courses meet NU's [grade and credit transfer requirements](#) and apply the below articulations automatically.

(Please note that the below equivalents apply only to LSE summer program courses.)

LSE Summer Course	LSE Summer Course Title	NU Equivalent Course	NU Equivalent Course Title
EC 101	Introductory Microeconomics	ECON 202-0	Introduction to Microeconomics
EC 102	Introductory Macroeconomics	ECON 201-0	Introduction to Macroeconomics
EC 200	Behavioral Economics	ECON 330-0	Behavioral Economics
EC 201	Intermediate Microeconomics	ECON 310-1	Microeconomics
EC 202	Intermediate Macroeconomics	ECON 311-0	Macroeconomics
EC 203	Real Estate Economics and Finance	ECON 3XX	Economics 3XX
