Date: \$ Z D U'G PI Full Name: \$ Z D U G 7 L W O H Full Sponsor Name:

Dr.

As part of the closing process, we need verification of the existence of program income. Program income is defined, according to OMB Q L I R U P \* X CFGRD Q F, H , as the following:

"Gross income earned by 1 R U W K Z H V W H U Q that is directly generated by a sponsagreedrestilloify or earned an award."

Examples of program income include:

- x Fees earned for services performed untoberaward, such as laboratory tests.
- x Rental or usage fees, such as earned from feetgedh for us of computer or laboratory equipment purchased with grant funds.
- x Funds generated by the sale of commodities and research materials, such as tissue cultures, cell lines, or research animals.
- x Proceeds from the sale of software, tapes or publications.
- x Admission Fees
- x Registration fees charged to participants for a work

pported activity.

As Indicated above, program income is normally received by 1 R U WhotnZaHhirdVphthy and not from the sponsoring Agency. The federal finition of program income also includiesense feesand royalties on patient and copyrights. However, unless restricted otherwise by the award
